Dynamic Quest ranked as the Largest Triad Computer Service and Repair Provider by The Business Journal

Greensboro, N.C. – August, 16, 2011 – **Dynamic Quest**, a business solutions provider, was ranked #1 by **The Business Journal** on their “Largest Triad Computer Service and Repair Provider” list.

The Business Journal ranked local computer service and repair companies by the number of technicians each company employs and then by the total number of employees in the company. Twenty-four local businesses were considered in this list, with Dynamic Quest (www.dynamicquest.com) coming out on top. The list was published in the August 12-18, 2011 edition of The Business Journal.

“It’s great to be recognized as the largest computer service and repair provider in the Triad”, Javier Gomez, CEO of Dynamic Quest said. “IT services are a large part of our company and are just one of many services we provide to our clients.”

Dynamic Quest, founded and based in **Greensboro**, is one company providing multiple solutions in the areas of Data Center Services, IT Services, Helpdesk Services, Custom Software Development, and Marketing Services. The company operates a SAS 70 Type II certified data center and offers comprehensive maintenance plans designed to reduce complexity and enable your IT to respond rapidly to business needs.
